Dedicated to Service

Cloverleaf Cold Storage has been serving the logistics needs of our customers since 1952. We operate refrigerated and dry warehouses in Ohio, Iowa, Missouri and Minnesota.

Massillon is located in the Cleveland-Akron-Canton corridor near the intersection of Interstate 77 and US Highway 30.

One-day transit time is achievable to the major Eastern and Midwestern markets from this strategic location. Combining our geographic advantages with excellent rail cross-dock facilities and rail rates, Massillon has become a uniquely attractive logistics solution for some of the fastest growing and innovative food companies in the nation.
